Breathtaking...
Spectacular

CEDAR HOMES
BY CEDAR DESIGNS, LLC

4 BEDS | 2.5 BATHS | 3,248 SQ.FT. LIVING

The Windwood 2 - The beautiful design of this custom post and beam home was designed for a charity lottery prize.

Windwood 2 Custom Cedar Homes - People looking for their ultimate dream home will be inspired by the spectacular design of this custom post and beam home.

The breathtaking cathedral ceilings and floor-to-ceiling windows are nothing short of breath-taking in the full light of day. When you look up, you will find the charming second-level open loft area, which can be transformed into almost anything, an office, cozy lounge, library reading room, nursery, or a home theater.

The two-story floor plan with three upper floor bedrooms provides the openness and privacy desired for visiting family and guests.

The 304-square-foot open loft area is a superb way to keep the vision of an open-concept home alive.

The 8-foot main vaulted floor to ceiling features multiple beams, and floor to ceiling windows to dramatize the breathtaking views of the lake while bringing in more natural light.

The Windwood 2 Post and Beam home offers a large kitchen and dining room. There is enough seating for dinner guests and a large well-designed kitchen island area.
